IL DODECAEDRO DEI 12 MESI

A large dodecahedron is shown with its faces representing the months of the year. Each face is a calendar grid for a specific month, with the month name written vertically on the left side of the grid. The months are: GENNAIO, FEBBRAIO, MARZO, APRILE, MAGGIO, GIUGNO, LUGLIO, AGOSTO, SETTEMBRE, OTTOBRE, NOVEMBRE, and DICEMBRE. The calendar grids show the days of the week (Lun, Mar, Gio, Ven, Sab, Dom) and the dates. The dodecahedron is surrounded by dashed lines indicating where to cut out the calendar pages.
